LL CORPORATE SOCIAL RESPONSIBILITY

Our commitment to our Environment, Community and Customers

COTTON CLASSICS

Our founder, Benjamin Russell was a man of community. So, in 1902 when his hometown of Alexander City, Alabama was destroyed by a fire, he got to work. His relentless spirit and grit helped him rebuild the town he loved. And out of the ashes emerged what would become one of America's most epic sportswear brands - Russell Athletic®. Since that day we've been committed to delivering high quality apparel.

Today, we continue to bring authenticity and quality into every element of our garments. Our Cotton Classics tees and fleece keep it simple and comfortable; honoring our roots and staying true to our original values of innovation and craftsmanship. These clean and functional styles are made with comfort and durability in mind.

COTTON CLASSICS FLEECE

Frustrated with his itchy, uncomfortable practice gear for football, Benjamin Russell, Jr. came to his father in search of a better alternative. He understood the comfort and durability of cotton, family business and all, so he suggested an all-cotton version of the woolen jersey used at the time. Energized by his son's request, Benjamin Russell, Sr. set his sights on creating a more practical piece of athletic wear. In 1926, he gifted the world with what we now know as the iconic sweatshirt.

His legacy continues to inspire creativity and innovation on and off the field. Our heritage is woven into each piece of our Cotton Classic fleece from their simplistic detailing to the Eagle R embroidered patch. Elevated with ring-spun softness and anti-pill fabrication, this collection offers the ideal mix of past and present, and is sure to stand the test of time.

INVENTORS

Double Needle Stitching

Adds reinforcement to seams and locks sweatshirt together.

Durable 3-End Fleece

The most premium fleece construction, 3-end, combines three yarns for softness, durability and loft. All our fleece follows this formula as the purveyors of the sweatshirt for over 100 years.

Our thick rib binds provides binding and stretch.

As a garment manufacturer, we understand the responsibilities we have to our people as well as the environment. Our mission is to empower those seeking responsibly-made imprintables, and we hope that the more you learn about our For The Long Run initiatives, the more confidence you'll have in making Russell Athletic® your garment of choice for all your imprint needs.

An important focus of For The Long Run is addressing the systemic issues in apparel manufacturing that no one company can tackle alone. Positive changes can be made by working across our supply and value chains, engaging with key stakeholders such as our suppliers, customers, non-governmental organizations (NGOs), industry associations, and consumers.
